

CCC's SKILL DEVELOPMENT PROGRAM FOR CHILDREN (SDP)

Cross Country Ski Programs for Children up to 12 years of age

CCC's Skill Development Program for Children will:

Be fun!

Develop Skills

Increase fitness

Help make new friends

Develop a positive self image

Cross country skiing is a very inexpensive 'lifetime' sport suitable for all individuals of all ages and abilities. This sport is virtually injury free, is low impact, activates all the bodies major muscle groups and is excellent for the cardiovascular system. Physically, it is an ideal activity and is a whole lot of fun!

The Skill Development Program for Children is a program operated by the Williams Lake Cross Country Ski Club for children up to 12 years of age with the emphasis on fun, participation, skill development and safety. The objective of the program is to provide the opportunity for children to move through the sport at their own 'speed' based on their ability, skills and interests.

To accomplish this, the program is designed to help children develop excellent ski technique through a vertically integrated continuum of skier development opportunities, beginning with Bunnyrabbits, followed by Jackrabbits and concluding with Track Attack. This reflects the emphasis on achieving program goals in an atmosphere that is fun and exciting for children.

This exciting program is held at Bull Mountain Ski Area operated by the Williams Lake Cross Country Ski Club. The sessions take place on Sundays from 1:00 pm to 3:00 pm and Wednesday evenings (5:30-7:00pm) starting in December and running thru January & February ending in early March.

For further information or to register please email WLCCSC Jackrabbits@outlook.com. You can also get info from the website at www.williamslakecrosscountryskiclub.com

Bull Mt Racers/Ski Team (9 to 19 years): See attached info sheets.

Ski Groups: We will place your child into a group at the appropriate skill level and age. Please provide as much detail as possible about your child's ability, experience, fitness level and any medical concerns on the back of the registration form.

Parent Volunteers: Parent involvement is the key for success of the Skill Development Program and can only continue to grow with the participation of parents. We would like to have parent volunteers ski with the Bunnyrabbit and Level 1 & 2 Jackrabbits to help assist our coaches.
